

Kysia Falls

Enter the great mystical Tree of Sora to discover and interact with the wondrous ecosystem thriving within!

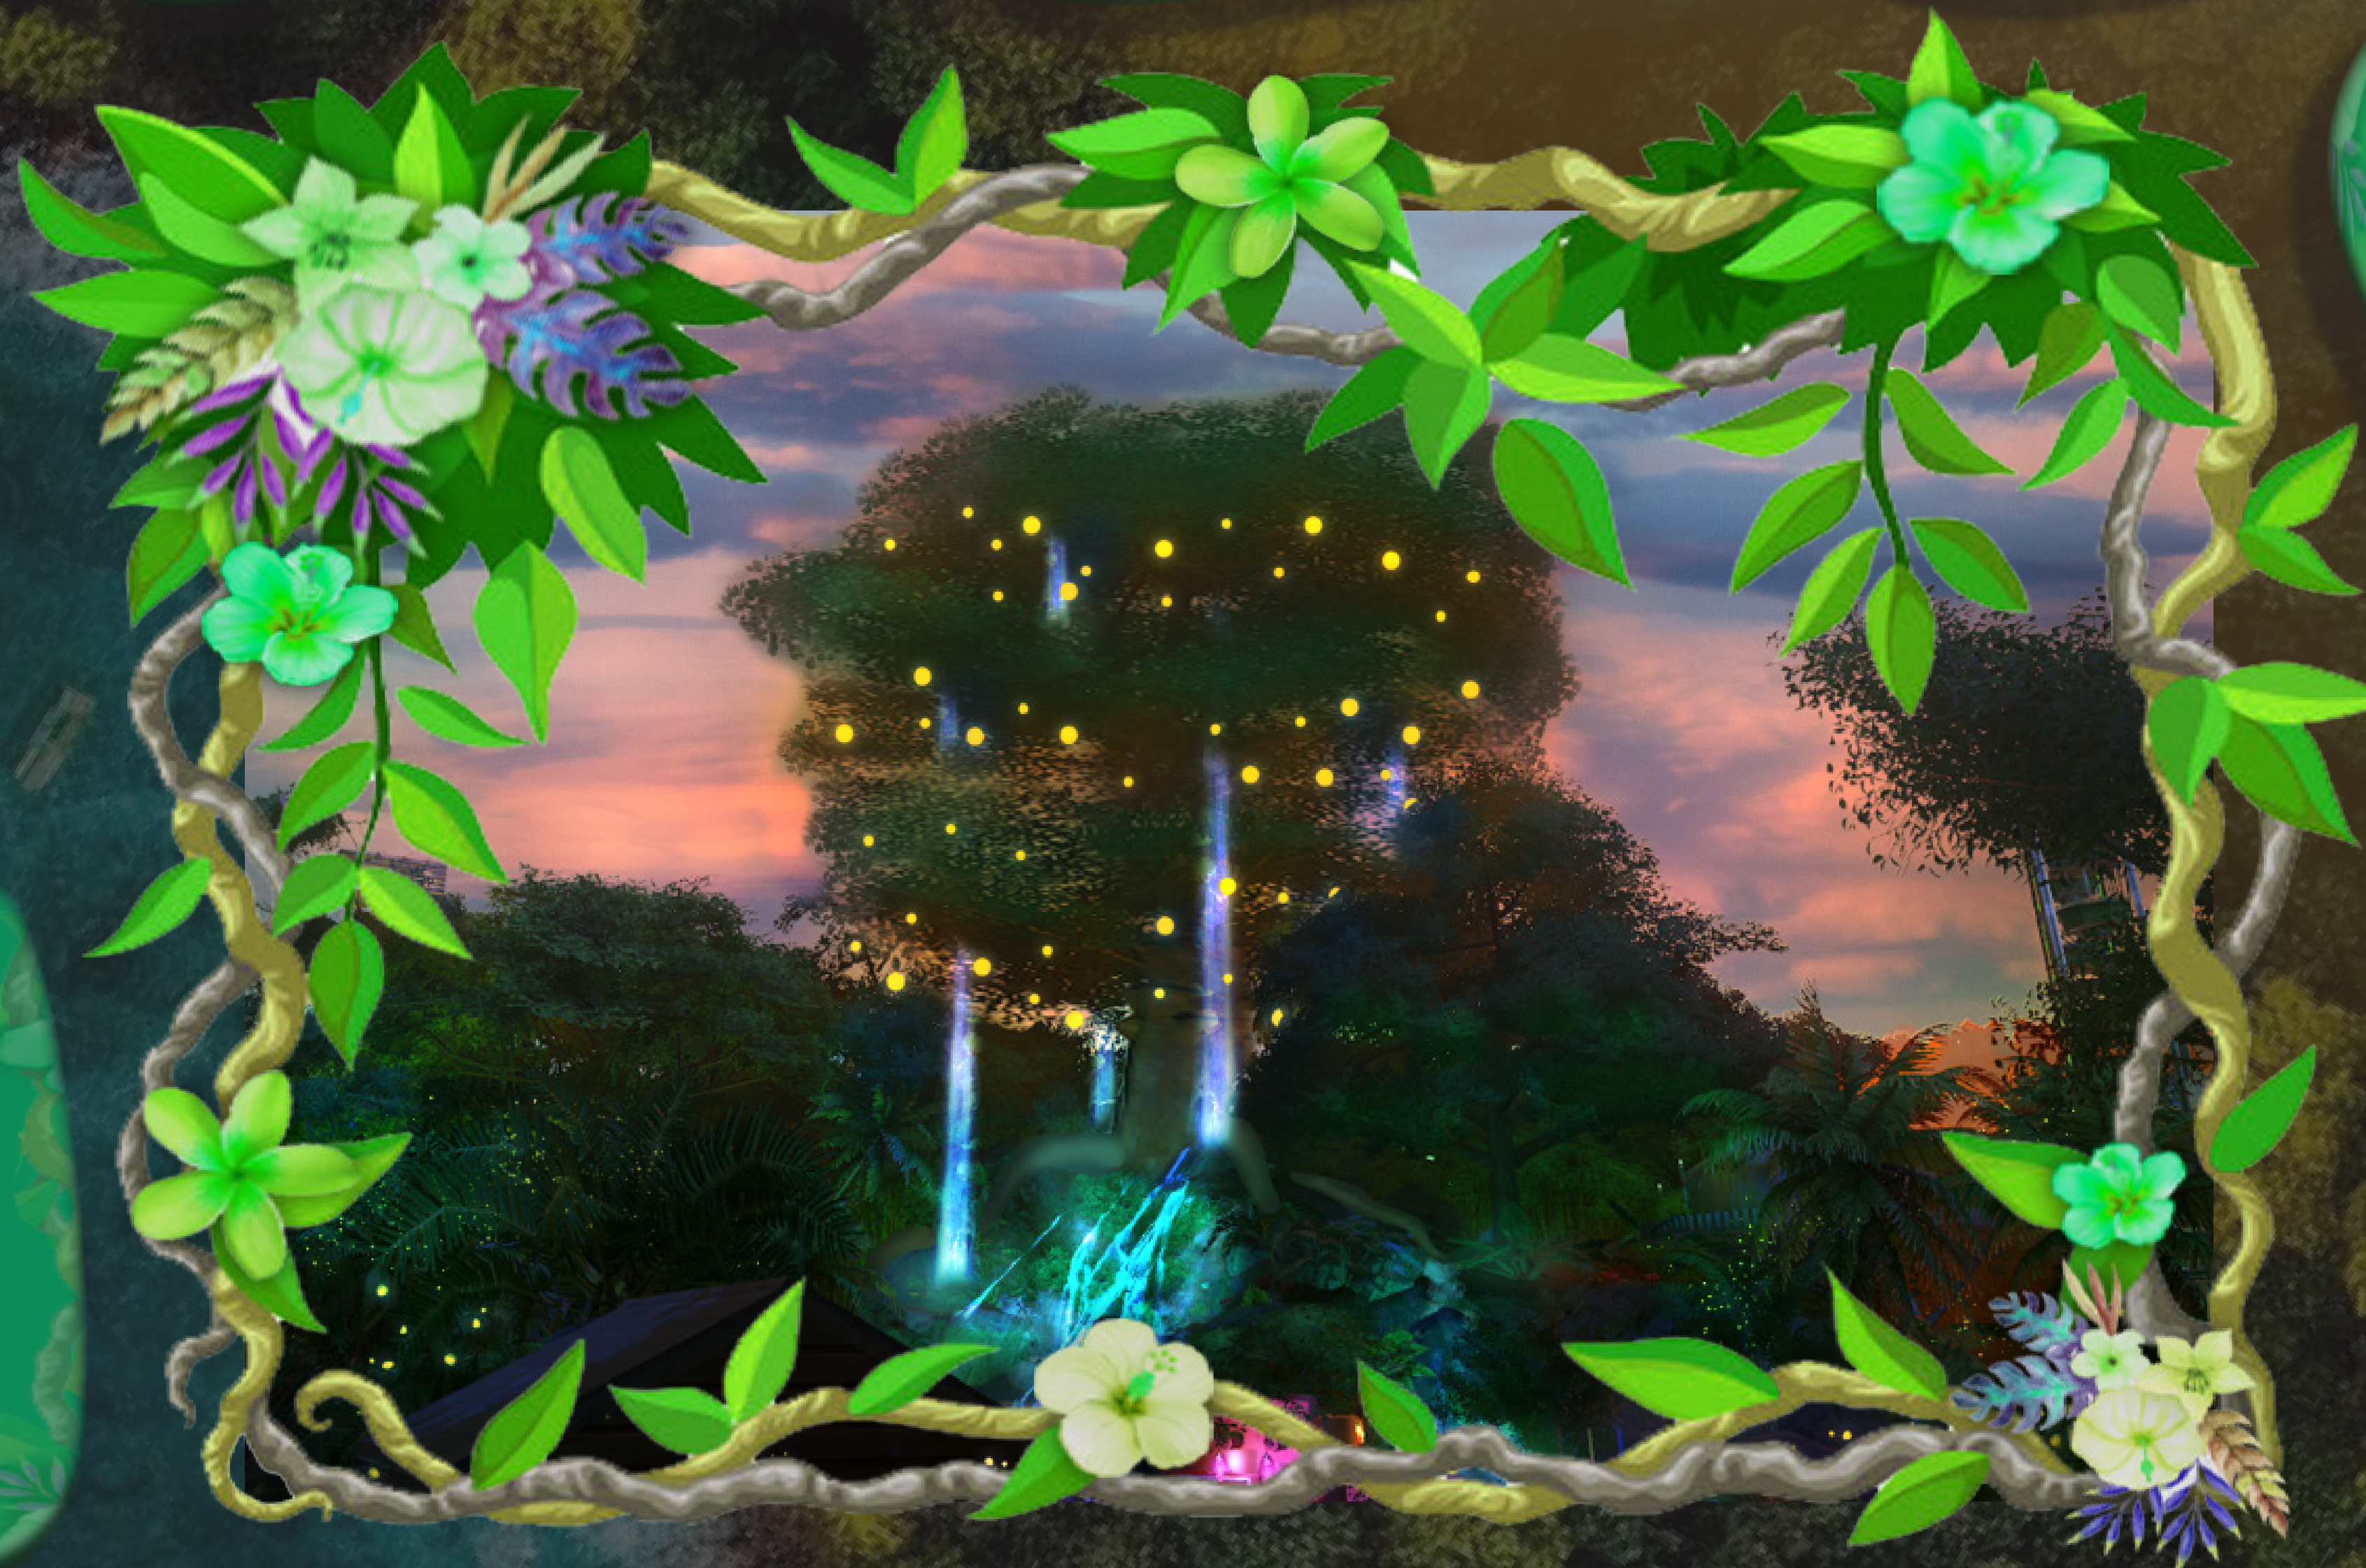

Climb the paths through the magical tree living at the heart of the jungle. In this walkthrough attraction, guests will see how the elements of **Sun**, **Spring**, and **Soil** work together in harmony to maintain the magical life of the jungle. At sunset, The Tree of Sora emits a magical glow, bathing the land in fantastical lights and colors. Central to Kysia Falls, The Tree of Sora serves as the centerpiece, a day-time exploration attraction, a night-time spectacle of light, and a personalized Discovery Log experience for all to enjoy.

Welcome to Kysia Falls!

For as long as time, the **Sun**, **Spring**, and **Soil** tribes of Kysia Falls have lived in harmony around the Tree of Sora. These people are the caretakers of the land, living in harmony with the natural and magical properties of their lush jungle environment.

In order to keep the tree's magic alive and thriving, each tribe has dedicated their lives to protecting one of the elements of growth— sunshine, water spring, and rich soil— to sustain the magical creatures that thrive within its ecosystem. The tribes have welcomed us in, to discover their community and join their celebration of nature's wonders.

Explore the tribes' marvelous treehouse homes and meet characters from the Sun, Spring, and Soil tribes!
